

## Home Health Care is Our Service.....

## Peace of Mind is Our Specialty

*When health problems affect your ability, or the ability of a loved one, to live a happy, productive life at home, Redi-Nurse can help. For over thirty years our nurses, home health aides, homemakers and therapists have been providing Florida residents with the services they need to maintain their lifestyles at home.*

### Our Industry's Highest Staff Selection Standards

Convalescence at home calls for skilled medical support and the assurance that your in-home help is competent and trustworthy. We ensure all Redi-Nurse staff members are of the highest caliber by performing:

- Criminal Background & Reference Checks
- Credit Checks
- Reviewing Educational Credentials
- Verifying Work Experience

All Redi-Nurse employees are licensed, bonded and insured; they receive:

- A detailed Orientation Process
- Additional In-Service Training
- Support by Supervisory Visits in the Field.
- Ongoing quality assurance by customer satisfaction surveys completed, in confidence, by our clients.

### The Redi-Nurse Difference

- In operation since 1977
- One of Florida's largest and most respected Home Health Care agencies.
- We have many local offices throughout the state, ready to provide immediate service in your location.
- Redi-Nurse is licensed by State and Federal agencies to provide qualified Medicare services.
- We work with most insurance companies,
- We bill carriers directly and handle nearly all insurance paperwork.

*As arranged, every day, once a week or just a special visit—you receive the help you need and the service you or your doctor have requested. Care is available twenty-four hours a day, and you can call any time for special assistance.*

### From Simple Daily Aids To Medical Support

Redi-Nurse offers a wide range of services:

- Simple-basic housekeeping
- Food preparation
- Bathing and dressing assistance
- Physical Therapy
- Speech Therapy
- Skilled Nursing
- Occupational Therapy
- Medical Social Worker and other specialized home care interventions.

Redi-Nurse can also assist and instruct patients with:

- Blood Pressure Checks
- Insulin Injections
- Blood Sugar Monitoring
