

The mission of St. Joseph's Episcopal Church is to bring all people into the fullness of Christ's family and nurture their spiritual development. We continue to prosper and grow because we proclaim the Good News of Jesus Christ with our surrounding community.

As evidenced by the last fifty-five years, St. Joseph's is strong, happy, and committed to serving present and future congregations. Today, we are blessed to continue the legacy of responsibility we inherited from previous congregations.

The time is here for us to move forward with the ministry with which God has entrusted to today's St. Joseph's congregation:

St. Joseph's Church, circa 1974

- To enlarge parish hall, kitchen facilities, and meeting space
- To improve nursery and music facilities
- To improve office, storage, and additional future needs
- To expand Narthex and rest rooms

Long Term Goals

- To expand seating in church
- Improve and create more accessible parking

As you reflect on how St. Joseph's has changed your life, prayerfully consider how you may impact the lives of others through the giving of your "time and treasure" to the Capital Campaign.

M "Make Room at the Inn" is the theme of our Capital Campaign which promises to be an exciting spiritual journey – one that will significantly increase our ability to continue to be a vibrant, inclusive, and diverse spiritual home. This promises to uphold the open and affirming spirit that has been a hallmark of our parish since its beginnings some fifty plus years ago.

While our needs demand sacrifice, our history shows bold parishioners who were confident in their stepping out in faith. God continues to bless our dedicated and gifted discipleship. Blessed churches are growing communities, believers who share a vision, who are entrusted to care for present needs while also preparing for the future. This is an exciting time for St. Joseph's congregation, and I humbly and joyously invite your prayer and continued loving service as we walk and enjoy this journey together.

-Fr. Marty Zlatic

"For this reason, because I have heard of your faith in the Lord Jesus and your love toward all the saints, I do not cease to give thanks for you, remembering you in my prayers ..." (Ephesians 1:15f)

For over 55 years, we have been blessed by the generosity of those with a spiritual vision who came before us. May we have the grace and guidance to likewise bless present and future generations by our commitment to this 2008 Capital Campaign.
